

In Plain Sight - Homelessness Exposed

A Photography Art Exhibit

There are men, women and children living under bridges, in the woods, in cars, and nearby parks all over St. Charles, Lincoln and Warren counties.

When you see them, think of someone's son, daughter, father, mother.

The Project

100 homeless people. **100** cameras. **One** mission.

Our photographers, homeless clients, will be asked to capture a typical day in their lives on the street. The best 20 photos will be selected by a panel of judges and put on display from June 26 to August 20 at the St. Peters Cultural Arts Centre. Visitors will enjoy a self-guided tour and vote for their favorite photo. An auction and fundraising event will be held on August 19 at the St. Peters Cultural Arts Centre. Proceeds will be used to fight homelessness and hunger in our community.

The purpose of this project is to...

Create Awareness

To provide visual accounts of the harsh reality of homelessness in St. Charles, Lincoln and Warren counties. To shine a light exposing these members of our community who are right here, In Plain Sight.

Give Them a Voice

To provide the homeless with a voice—through the camera lens, empowering them to bring their stories to light. To show the community that they exist, right here and right now.

Impact Change

By exposing the epidemic of homelessness in our neighborhoods, we hope to raise desperately needed funds to help those most impacted to find safe and affordable housing.
